

*Greenbelt Cheerleading is proud to announce another season of sideline and competitive cheer. Our mission and purpose is to provide your child and family with a fun, safe, and affordable environment through the amazing world of cheerleading. It is our goal to teach our youth and young adults the importance of hard work, dedication, and perseverance by working together as a team to achieve common goals. Athletic excellence is taught through top quality tumbling, stunt training, choreographed dance and more.*

*We strive to create an affordable, family friendly, athletically competitive organization that builds and fosters life-long friendships. Organizational success is achieved as you become integral parts of our family and in turn, us as part of yours.*

*If you and your child are looking for a uniquely incredible cheer experience, then you have come to the right place. We are a family oriented cheer program that will have your child's best interest and growth at heart.*

*Our coaches will always cultivate a positive learning experience that will emphasize excellent training habits, discipline, integrity, confidence, character building and teamwork. We will work to instill the importance of good sportsmanship, motivation, determination and leadership in our athletes. We work hard to ensure that each participant will achieve their personal best.*

*We operate under an open enrollment policy as well as a "no athlete denied" policy. Our focus throughout every season is to allow all members of our community to feel welcome and a part of a team regardless of skill level. Our program is open to all athletes (girls & boys) ages 3 to 18.*

*Athletes will have the option to cheer for football, basketball, as well as competition. All team placements are based on age, coaches' evaluations, and athlete's personal goals.*
